

# **Study: The Case for Investing in Young People – United Nations Population Fund (UNFPA)**

This paper presents evidence and analysis to support the integration of young people's rights, needs, and aspirations in poverty reduction strategies. It shows how to make a convincing and evidence-based case for prioritizing the needs of young people among other competing claims for resources for the poverty eradication agenda. It shows how to make a convincing and evidence-based case for prioritizing the needs of young people among other competing claims for resources for the poverty eradication agenda.
