Permanent Education Service
CEMEA (Training centres for
active learning methods) –
Asbl

Presentation

CEMEA in the federation of Wallonia Brussels is

An educational MOVEMENT

which asserts that education is for all, without distinction
of age, culture, sex, beliefs, social circumstances, that it
is continual and that every human being can develop and
transform himself throughout the lifespan;

which supports the idea that education must be grounded in
activity, essential in individual training and in the
acquisition of culture and which considers that the
environment is primordial in the development of the
individual.

A training organisation

which affirms that training is a space of permanent education,
social existence characterised by the interests of collective
action and that it must privilege the development of knowledge
by the individual himself to strengthen his skills and his
capacity for action; which is addressed towards all persons
paid or volunatry, engaged in cultural, educational and social
initiatives…and who, in their association, in their workplace,
in their daily life, their personal commitments…believe in the
possibility of each person developing throughout his or her lifespan; which puts in place different systems (training, research, exchange…) to foster the emancipation and the awareness of agents of change on issues of education in society.

Activities

- Training in the field of permanent education (socio-cultural activities).
- Skills training for street and neighbourhood activities and extracurricular training.
- Training of professionals of the After-School Reception (ATL) for three to twelve year olds.
- Training of professionals in early years education (0-3 years).

The CEMEA respond to the demands of the organising powers or school directors by putting in place training projects adapted to their specific requirements.

A few examples

Activities encouraging self-expression, setting up projects, the development of well-being units, education about gender equality, integration of children with disabilities…
