

Ceméa Mali

Presentation

The projects of the Mali Training Centres for Active Education Methods are part of the prerogatives objectives supported by Education for all, and the fight against poverty. The association is working on the improvement of the quality of reception reserved for young people and their families in order to improve their quality of life.

Since 1997, Creation of a “refuge for children” shelter in Mali. This project is launched in 2003 by a grouping of village communities (in Mande):

- provides shelters, “children’s groups” today called “Refuge for children” for children from the age of 3 to 6. 28 small structures are opened in different villages where there is a fundamental school: 430 preschool children and at least 500 persons mobilised in Mali and France.
