# African Union: Continental Education Strategy for Africa (CESA 16-25)

CESA 16-25 is the Africa's response which comes at the heels of the Conference of Education Ministers held in Kigali and the World Education Forum in Incheon (Korea). It's a continental strategy that matches the 2016-2025 framework of the African Union 2063 Agenda, meets the Common African Position (CAP) on the Post-2015 Development Agenda and draws lessons from previous continental plans and strategies with regard to the role and place of the AUC (AU) which, unlike member states, has no territory for the implementation of strategies in the field CESA 16-25 seeks to provide each education stakeholder the opportunity to make his or her best contribution to education and training in Africa.
