Council of Europe: Mini Compendium on non-formal education

This mini compendium is a collection of articles and publications produced by the Directorate of Youth of the Council of Europe and its partnership programme with the European Commission. It was specially designed as an addendum to the European portfolio for youth workers and youth leaders working in the context of non-formal education / learning.

The compendium is available here: http://www.coe.int/t/dg4/youth/Source/Resources/Portfolio/Compendium_NFE_en.pdf
